Teaching Tips: Pencil Tin Labels

Using this file

You are able to print and photocopy these pages for your non-commercial classroom and home use.

1. Print the labels on full-page sticky label paper.

2. Select your clean, dry tins or containers. Measure the label height required to fit your containers.

3. Draw a line to cut along. Cut label to container size.

4. Place the end of the label along the back of the tin and wrap it around. Put some tension on as you wrap, so that you avoid air bubbles.

5. If using with children, safeguard any sharp edges by placing decorative and thick tape along the top edge.
